To the Valued Business Owners and Professionals in our Greater Orlando Community,

Greater Vision Resources, Inc. (501C-3 not-for-profit), together with the City of Ocoee, Winiva Liability Resolutions, Just Writes Consulting, and 4 The Kids Entertainment, invite you to participate in our second annual Back-to-School Bash!

This year, we're excited to announce that the Back to School Bash will be hosted in partnership with the City of Ocoee on at the Jim Beach Recreation Center, 1820 AD Mims Rd, Ocoee, FL, on Saturday, July 23rd, 2022, from 11 AM to 2 PM.

Together with the City of Ocoee, Greater Vision and our partners are excited to present live entertainment, free food, and activities for the kids and teens along with our back-to-school supply drive, clothing drive, and free sports/health physicals.

In 2021, we hosted the Back-to-School Bash to give back to the families struggling to compete for basic resources in our community. As members of this community, we share a belief in the power of education as a vehicle to drive success, initiate change, and build the foundation for leadership in our homes. However, the ever-growing need and struggle for resources can have the opposite effect – extinguishing the burning flames of brilliance in our youth.

We ask you to help keep that fire alive. With your sponsorship, the Back-to-School Bash will help supply our youth with the resources they need to succeed over the school year. Just last year, we gifted over 200 students with backpacks, school supplies, and free physicals with the aid of like-minded individuals like you. This year, we're counting on your help to provide over 500 students in the Ocoee and Greater Orlando community with the supplies they need to enforce positive change in the future.

More than anything, it is our goal to help families start the school year confident in continuing their education. Sometimes, it's as simple as handing out a new backpack filled with school supplies.

Please review and consider the attached sponsorship packages. Everything helps. For the youth in our community, even a small contribution could be enough to change the course of their year.

Thank you for your support.

Sincerely,
